Note to Parents & Students

Every participant, regardless of their rank, will be able to download a **Certificate of Participation** along with their detailed analytical report. We encourage parents to use the "Performance Radar" to understand their child's unique academic DNA.

We especially urge parents to use the "Retro-View" feature to celebrate the journey of learning their child has undertaken from 2025 to 2026.

"Honing talent is a continuous process. Seeing your progress from last year is the truest measure of success."
