# VISION AND MISSION

*OUR COMMITTMENT*

The background of the entire page is a photograph of several children smiling and looking towards the camera. In the foreground, there is a blurred green bush or plant. The text is overlaid on this background in two yellow boxes with white borders.

# VISION

To empower the underprivileged members of Indian society to become progressive, prosperous and self-reliant citizens of India, and the world at large.

# MISSION

To develop educational, health and moral potential of the underprivileged and most vulnerable members of Indian society by providing financial resources, establishing educational and training institutions, healthcare centers and adapt programs that promote individual responsibility and community participation.

# OUR STORY

*HOW TAUHHEEDUL MUSLIMEEN  
TRUST CAME TO BE*

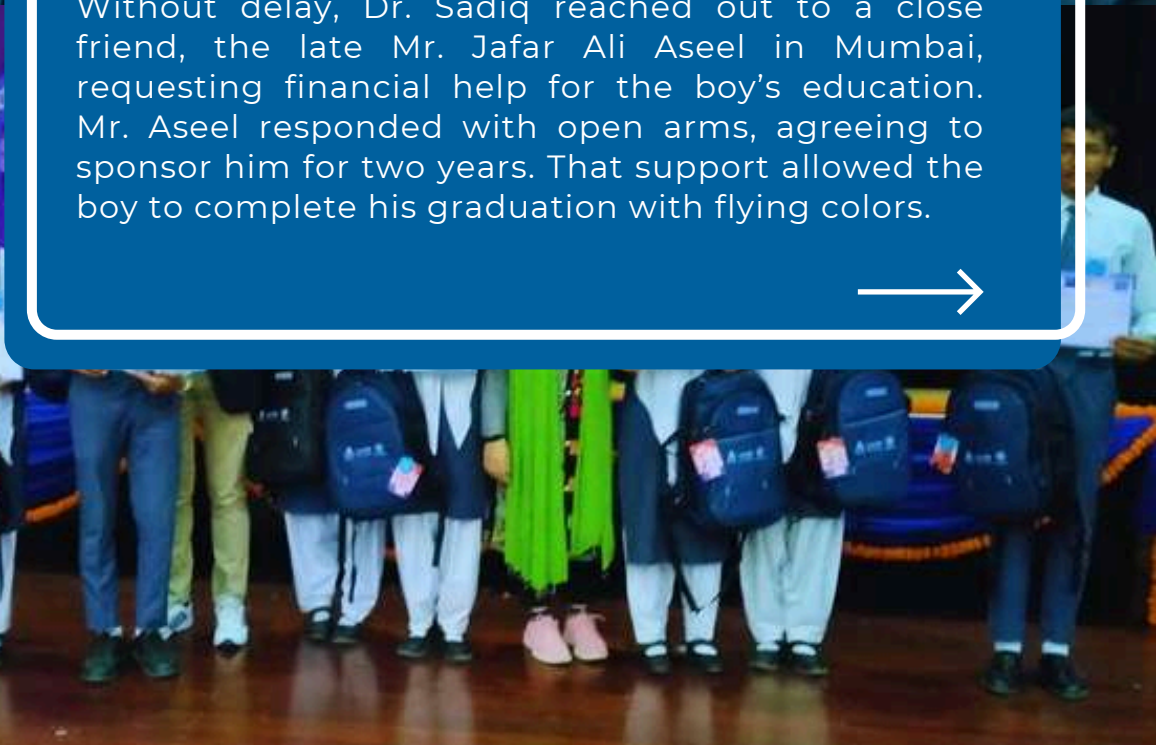

# OUR STORY

It all started with a quiet moment that left a lifelong impact.

During one of his visits, Dr. Kalbe Sadiq was approached by a man who asked him to stop by his home. The house was modest, lit by the soft glow of an oil lamp. Inside, Dr. Sadiq saw a young boy sitting cross-legged, completely focused on his studies. The father introduced him as his son — a bright, hardworking student who dreamed of continuing his education but couldn't afford it.

Dr. Sadiq sat with the boy and spoke to him. He was struck by the boy's intelligence, drive, and quiet confidence. He knew right then: with a little help, this boy could change not just his own future, but also that of his family.

Without delay, Dr. Sadiq reached out to a close friend, the late Mr. Jafar Ali Aseel in Mumbai, requesting financial help for the boy's education. Mr. Aseel responded with open arms, agreeing to sponsor him for two years. That support allowed the boy to complete his graduation with flying colors.

But what lingered with Dr. Sadiq long after was this question:

***How many more children are out there like him — full of potential, but held back by poverty?***

He began finding more such students and matching them with people willing to help. But soon, he realized that this couldn't be done one child at a time. It needed structure. It needed a plan. In 1984, he brought together like-minded educators and community members to build something bigger — and that's how the Tauheedul Muslimeen Trust (TMT) was born.

The journey started small. In 1987, Unity College opened its doors in a rented room with basic amenities and a few students. It wasn't easy — convincing families to send their children to school took time and patience. But with determination and community support, the tide slowly turned.

Twelve years later, TMT launched the Unity College Second Shift, starting with just nine students, offering free education to those who couldn't afford it. Over time, this initiative blossomed. Today, both Unity College and its second shift proudly serve over 3,500 students, offering high-quality education, expert faculty, and modern facilities.

TMT didn't stop there. It expanded into healthcare, scholarships, aid programs, and community support — always guided by the same principle: every person deserves a chance to live with dignity and opportunity.

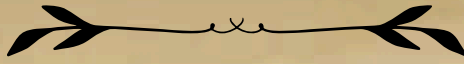

*What began as a small act of kindness in a dimly lit room has now grown into a movement — thanks to those who believed in the power of education and stood by TMT's mission. And as TMT moves forward, it does so with gratitude, purpose, and the hope of reaching even more lives.*

*”*

# LATE DR. KALBE SADIQ SAHAB

*IN HONOR OF OUR FOUNDER, OUR GUIDE AND THE VISIONARY  
HIS MESSAGE FROM THE YEAR 1985-1986*

*By the grace of Almighty Allah, the Tauheedul Muslimeen Trust (TMT) continues its humble journey towards educational and social upliftment. What began in 1979 as a small effort to help one needy student has grown, through divine blessing and community support, into a movement serving hundreds. Our annual expenditure has risen from ₹86,000 to nearly ₹7 lakhs within a few years, reflecting both our expanding work and the faith of our donors.*

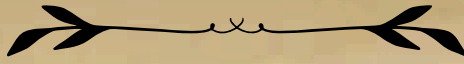

*During 1985–1986, we extended our activities beyond Lucknow by establishing branches in Delhi and Madras. The Delhi branch launched an ambitious programme to prepare students for the Indian Administrative Service under Mr. Saiyed Shariful Hasan Naqvi, though response remained limited. The Madras branch, however, earned wide appreciation for its sincerity and efficiency.*

*Financially, the year was challenging. Owing to the Iran–Iraq war, contributions from the Gulf decreased sharply, forcing us to delay the final instalment of stipends. Yet our students displayed remarkable patience, and most scholarships were disbursed fully. Only one instance of misconduct occurred, reminding us of the need for stricter verification.*

*We maintained close coordination with the Anjuman-e-Wazifa-e-Sadaat-wa-Momineen and established new links with the Imam-e-Zamana Mission, Hyderabad, whose free English-medium school for the poor deserves special praise. I also had the privilege of meeting Mulla Asghar M. M. Jaffer, President of the World Khoja Federation, who commended our work and offered cooperation.*

*I have long advocated that our religious gatherings—Majalis-e-Aza—be used as platforms to promote education. If our preachers emphasize knowledge and reform, real change can follow within years. Although this effort has yet to gain full momentum, it remains central to our vision.*

*Social welfare activities also continued. We distributed clothing and shoes through the generosity of Dr. Abbas Jafri (USA), arranged limited overseas employment, provided medicines to hospitals, and offered interest-free loans. Collaboration with the ICIC Foundation enabled three students to study abroad, while two technical institutes at Hyderabad and Naugawan Sadaat advanced vocational training.*

*I remain deeply grateful to our donors and workers in India and abroad, especially Mr. S. Ghulam Husain Zaidi for his devoted service, and our friends from the Mohammadi Trust, London, for their continued generosity. Though financial trials persist, our resolve remains firm.*

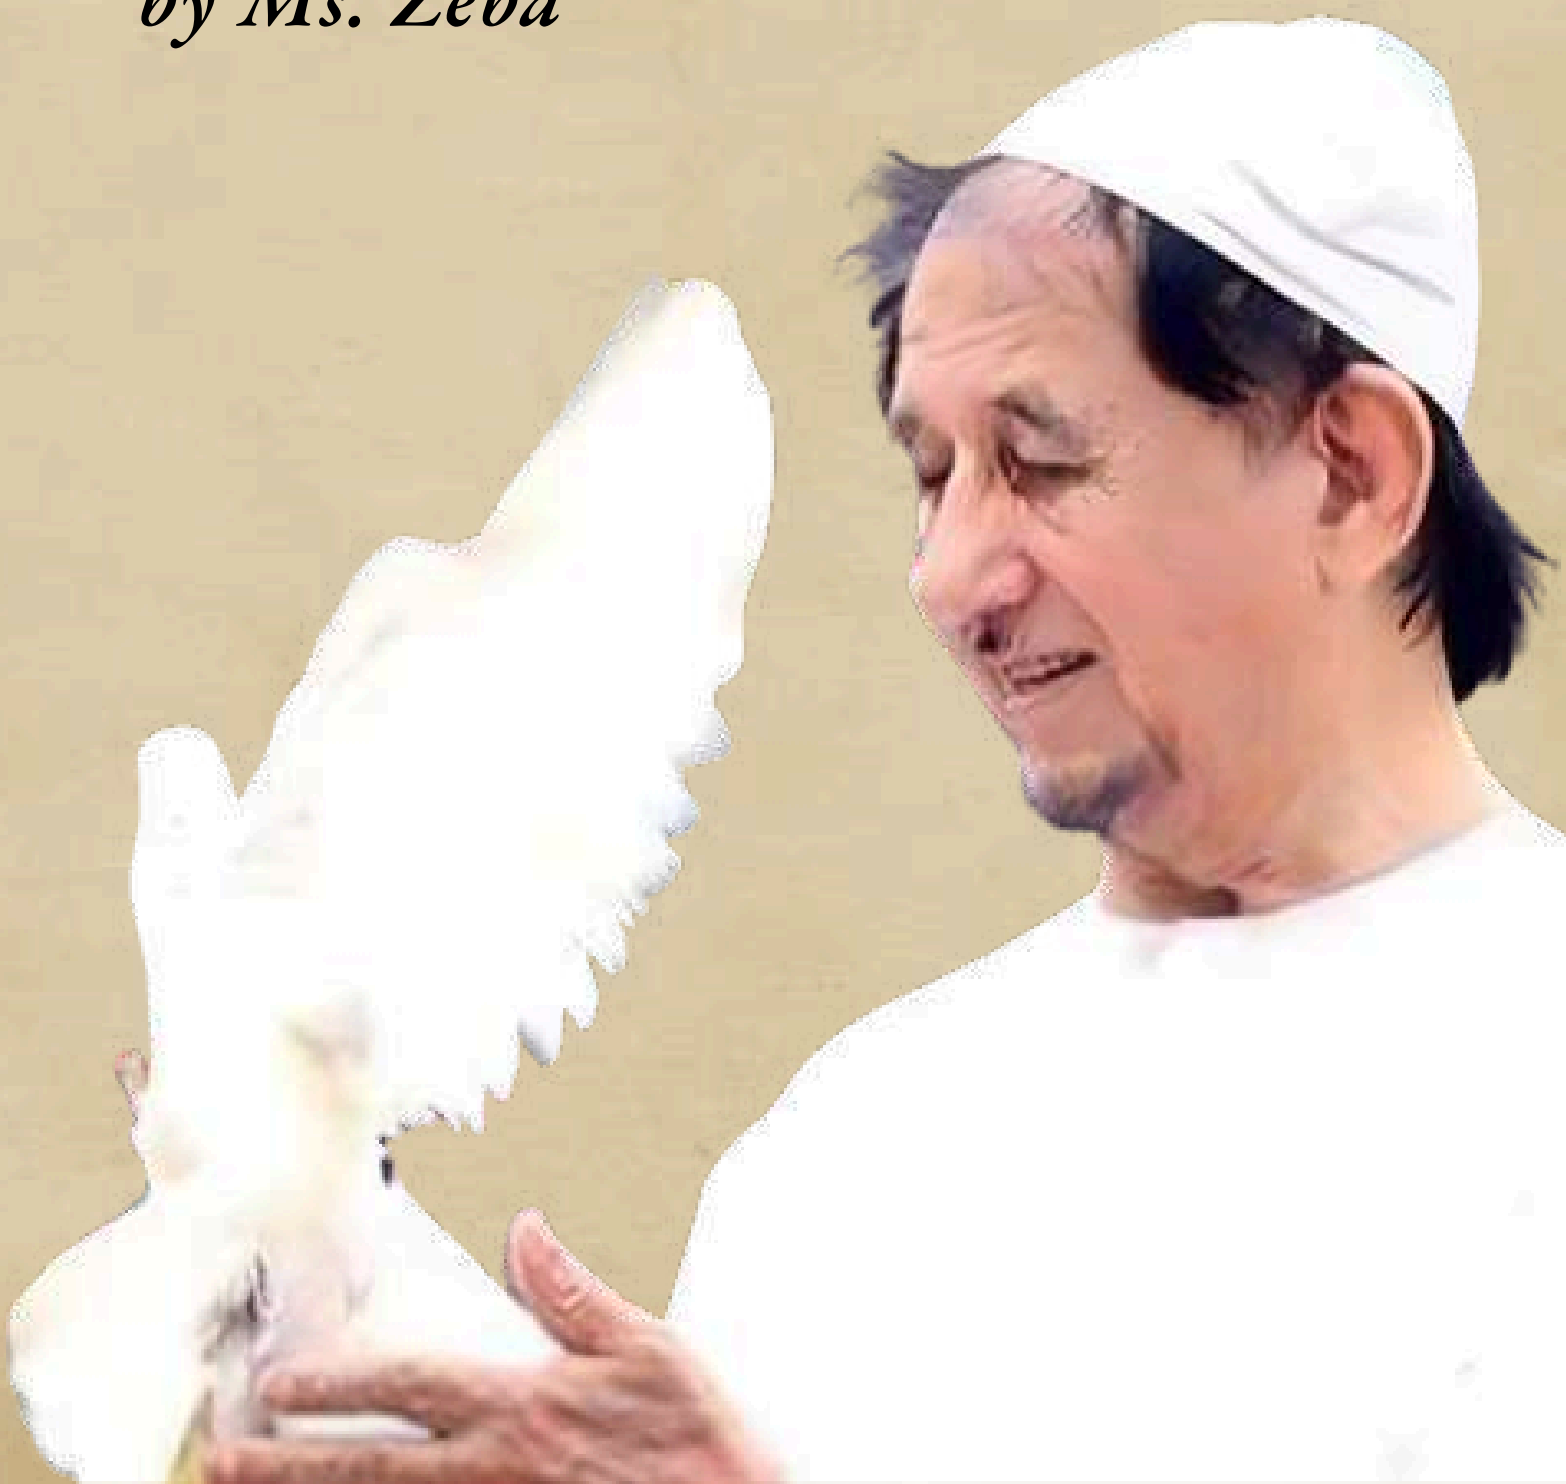

*May Allah bless all who support this mission. Together, through sincerity, sacrifice, and education, we can guide our community from weakness to strength and from ignorance to enlightenment.*

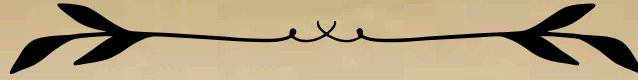

— DR. KALBE SADIQ  
LUCKNOW, 1ST AUGUST 1986

*A poem for*  
***JANAB DR. KALBE***  
***SADIQ SAHAB***

*by Ms. Zeba*

*An almost childlike visage...  
But a storehouse of knowledge .  
We grew up knowing ...  
That our religion was safe...  
In the capable hands...*

*Of this unassuming man...  
Only rose petals fell from his lips...  
His smile ...as angelic as his temperament...  
We watched from behind doors...  
As he walked...into the halls...for majlises..  
Of medium height...  
But in the eyes of the world..  
A towering personality..*

*We never imagined...  
A world without him..  
What a world it will be ..  
Without Sadiq bhai....  
Our hearts are heavy ..*

*The Shia of Lucknow  
Are orphaned today...  
Now there is no ray of light...  
Darkness surrounds us after  
His demise..  
There is no guiding light..  
Our Guide has gone ahead...  
We are left bereft of any guidance*

*Many will try to fill his shoes...  
But to no avail ...  
They are too big for anyone ...now..  
His sincerity... His courage..  
His knowledge..*

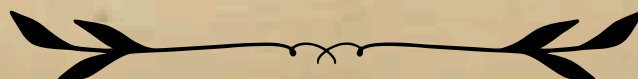

*His amazing rapport..  
With friend and foe...  
The respect he commanded..*

*Who can be like him...  
We are truly..  
Left to wander in this desert now...  
Without him...  
How will we survive as a community ..  
Without him...*

*Those that are left...  
Do not have that charisma..  
That he had...  
Our hearts bleed...  
Tears flow from our eyes...  
But he has gone...  
To the beautiful place he described ..  
So often...*

*He will recline on the softest silk ..  
He will be young and energetic again..  
There will be a celebration in heaven...  
The angels will call out...  
The most loyal of Maula's servants has  
arrived....  
Maula will have come...  
As he promised...*

*May Allah award you the highest place  
in jannat dear Sadiq bhai...  
We will miss you till we join you one  
day....  
For that majlis in heaven...  
Rest in peace near Maula...*

***SOME GUIDING WORDS***

**FROM THE  
SECRETARY'S DESK**

# MR. NAJMUL HASAN RIZVI

## SECRETARY, TMT

For over four decades, Tauheedul Muslimeen Trust (TMT) has remained steadfast in its commitment to advancing education for the underprivileged. The modest yet meaningful progress we have made over these years stands as a testament to the vision and dedication of our founder, Padma Bhushan Dr. S. Kalbe Sadiq, and his fellow co-founders. Their legacy continues to inspire our journey as we pursue the goals of quality education and holistic student development.

At TMT, we firmly believe that meaningful transformation in education cannot be achieved in isolation. Collaboration and networking with like-minded individuals and organisations are vital for sharing experiences, learning from one another, and replicating proven practices. Through collective effort, we aspire to nurture students who are intellectually competent, morally upright, and emotionally resilient—young minds prepared to meet the demands of an increasingly competitive world.

With this belief, I am pleased to present in this year's report a working plan developed by TMT to promote employability-driven, concept-based education. The initiative aims to enhance learning outcomes, integrate employability skills, and cultivate student awareness to better prepare them for the evolving challenges of the modern workplace.

We recognise that despite our sustained efforts, TMT's journey remains one of continuous learning and refinement. As an organisation, we remain open to collaboration, innovation, and constructive feedback. We invite educators, institutions, and individuals dedicated to student development to review, adapt, and implement the strategies outlined in this plan—because improving educational outcomes is no longer a choice, but an urgent necessity in the face of rapid global change.

Various national studies and reports paint a concerning picture—over half of Indian children aged ten struggle to read or comprehend age-appropriate texts, with the challenge being particularly acute in states such as Uttar Pradesh and Bihar. According to the ASER report, barely half of Class 5 students can read a Class 2-level text, and fewer than one-third are able to solve basic arithmetic problems.

The secondary school dropout rate hovers around 11%, while failure rates in several state board examinations remain considerably higher than those in national boards.

The scenario becomes even more competitive in professional education, where only a minuscule fraction of aspirants succeeds in gaining admission to courses such as medicine, engineering, law, or civil services—success rates in some national-level entrance exams are as low as 0.1%.

These realities underscore the urgent need for reform. At TMT, we view education not merely as a means of academic success but as a comprehensive process aimed at equipping students with the knowledge, skills, and values required to lead meaningful and productive lives. Our approach to employability-driven holistic education seeks to balance intellectual, moral, physical, and emotional development, transforming students into confident, competent, and compassionate individuals.

Holistic development is achieved through a multi-dimensional framework that combines quality academics, moral training (Tarbiyat), sports, extracurricular activities, and healthy competition. We strive to deliver a curriculum that builds conceptual clarity, replaces rote memorization with understanding, and integrates moral and spiritual guidance to shape character and discipline. Students are encouraged to engage actively in physical education, creative pursuits, and inter-school competitions that foster teamwork, leadership, and resilience.

Academically, our efforts are directed toward strengthening the teaching-learning process. We have introduced student-centered, interactive methodologies and conduct regular teacher training to enhance classroom effectiveness. At different stages of schooling, the focus varies—from play-based literacy at the pre-primary level to communication and scientific reasoning at the primary level, and from rigorous subject mastery in secondary grades to career-aligned preparation at the senior secondary stage.

A crucial element of our educational approach is the integration of employability skills within the curriculum. From an early age, students are exposed to computer literacy, communication training, and personality development programs. Career counseling is initiated from Grade 7 onward, helping students make informed choices based on their interests and aptitude rather than societal pressures. Our career guidance team, assisted by external mentors and professionals, conducts sessions, field trips, and motivational interactions to broaden students' horizons and encourage them to pursue their goals with clarity and confidence. Students are also guided to explore entrepreneurship and prepare for competitive examinations for various government and professional roles.

This integrated model aims to create well-rounded individuals—those who are intellectually capable, morally grounded, emotionally balanced, and professionally ready to face the challenges of the future. Yet, as experience reminds us, the journey from planning to execution is never easy. While formulating a development plan is relatively straightforward, implementing it within a set timeline has proven to be an ongoing challenge. Development is a gradual process that demands patience, perseverance, and collective effort.

Among the major challenges we continue to face are changing the mindsets of students, teachers, and parents who are often hesitant to move out of their comfort zones; correcting the bias that places science above humanities and commerce; and combating the social stigma that undervalues vocational education. Another persistent issue is discouraging students from seeking degrees from substandard institutions that offer little real value. Additionally, finding sincere, committed, and skilled professionals willing to contribute selflessly to educational reform remains a significant difficulty. The cultivation of time management and discipline, along with navigating administrative and bureaucratic hurdles, adds further layers of complexity to our mission.

However, these challenges do not deter us. On the contrary, they serve as reminders of the realities we must face and overcome through resilience, teamwork, and faith in our shared purpose.

Looking ahead, we are eager to collaborate with individuals and organisations who share our commitment to holistic, employability-oriented education. By working together, we can replicate and scale impactful practices that empower students to succeed in an ever-changing world.

As I conclude this report, I bow in gratitude to the Almighty, the Most Merciful, for blessing us with the strength, opportunity, and guidance to continue this noble mission. I extend heartfelt appreciation to our dedicated staff, whose unwavering commitment drives every initiative; to our donors and well-wishers, whose generosity sustains our efforts; and to all stakeholders who believe in our vision. Their faith and support remain the cornerstone of Tauheedul Muslimeen Trust's enduring journey toward educational and social upliftment.

# EDUCATIONAL INSTITUTIONS

# EDUCATIONAL INSTITUTIONS

# UNITY COLLEGE

*YEAR IN REVIEW 2024-25*

# A YEAR OF GROWTH, HARD WORK AND SUCCESS

The academic session 2024-25 was a year filled with learning, growth, and success for Unity College, Lucknow. Both students and teachers worked together to make it a truly productive year. With a strong focus on academics, co-curricular activities, and values, the College continued its mission to offer quality education and nurture responsible, confident individuals.

Our students performed exceptionally well in all areas, including the classroom, on the sports field, and in various competitions. Their results in the ICSE and ISC board exams reflected their hard work and commitment. Many students also scored achievements in debates, exhibitions, and cultural events.

We believe that education goes beyond textbooks and exams. It is about discovering one's potential, learning teamwork, and building character. Events like the Annual Day, Science Exhibition, and Sports Meet provided platforms for students to explore their talents and express themselves freely.

This year also, we placed special emphasis on emotional well-being, digital literacy, and career guidance.

Interactive workshops for students and parents addressed important topics such as mental health, internet safety, and hygiene. The introduction of upgraded smart classrooms and green initiatives made learning more meaningful.

The progress of 2025-26 was made possible through the dedication of our teachers, the enthusiasm of our students, and the constant support of parents and staff. Let us look back at the highlights, milestones, and memorable moments of this year.

TMT is thankful to the family of the late Mr. Roshan Merali, Mr Sultan Ali Jethabhai, Mr Shokat Alibhai, Mr Mustafa Kassam, M/s Sajjadiyya Trust and M/s The Mainstay Foundation for their support

# HIGHLIGHTS FROM THE YEAR

## ISC CLASS XII RESULTS 2025

# UNITY COLLEGE (SECOND SHIFT)

*ESTABLISHED 1999*

# FUELING GROWTH AND EXCELLENCE WITH INCLUSION

Unity College (Second Shift) was established in 1999 by the Tauheedul Muslimeen Trust with the vision of providing educational, social, and material upliftment to the underprivileged sections of society.

What began humbly with just 17 students has now grown into a full-fledged institution with nearly 1,600 students receiving free education. In addition to quality learning, students are provided with free uniforms, books, and medical care, ensuring that financial constraints do not limit opportunities.

Classes from Nursery to Intermediate (Class XII) are conducted between 2:00 p.m. and 6:00 p.m. on weekdays. Students enjoy full access to all academic and co-curricular facilities shared with the morning shift. Originally a Hindi-medium school, the Second Shift has been steadily transitioning to English-medium instruction to meet the demands of a globalized world.

The College offers Humanities and Commerce streams at the Intermediate level, along with subjects such as Mathematics, Science, Computer Science, General Knowledge, Theology, Art & Craft, English, Hindi, Urdu, and Social Studies. A variety of activities—debates, quizzes, creative writing, art, and sports like Cricket, Basketball, and Kho-Kho—nurture talent and build confidence.

This impactful initiative continues to be supported by the SEF Foundation, Toronto, Canada, helping Unity College (Second Shift) uphold its mission to educate, empower, and inspire every child, regardless of background.

The endeavor is supported by M/s SEF Foundation, Canada

# UNITY PRIVATE INDUSTRIAL TRAINING INSTITUTE

*ESTABLISHED 1995*

# ADVANCING SKILL EDUCATION, EMPOWERING YOUTH

Unity Private Industrial Training Institute (Unity Pvt. ITI), established in 1995–96 under the Tauheedul Muslimeen Trust, continues its mission to empower youth through skill-based vocational education.

Functioning within the Unity College campus, the institute provides industry-relevant training aligned with NCVT standards, ensuring students are equipped for sustainable employment and entrepreneurship.

With a focus on quality training and modern infrastructure, the institute undertook several upgrades this year, including the complete renovation of the Cosmetology Lab, modernization of the Cutting & Sewing Workshop, and improved power backup with a new inverter.

Digital face-recognition biometric attendance systems and new LED displays were installed to enhance learning and discipline.

To encourage sports and teamwork, inter-trade cricket and badminton tournaments were organized, while convocation and prize distribution ceremonies celebrated academic excellence and skill mastery. Under the UP Government's Swami Vivekanand Yuva Sashaktikaran Yojana, students received free smartphones and tablets to support digital learning.

Supported by TMT and guided by experienced trainers, Unity Pvt. ITI remains dedicated to advancing skill education, empowering youth, and contributing to India's vocational excellence movement.

The endeavor is supported by Mr Mustafa Kassam and M/s Sajjadiyya Trust, Canada

**465**

Total students enrolled in 2024-2025

**155**

Students in NCVT-affiliated trades

**310**

Students in short-term vocational courses

**60**

Certified technicians in collaboration with Godrej Excellence Centre

# UNITY VEDA COLLEGE OF MEDIA AND ANIMATION

*ESTABLISHED 2016*

# PRODUCING SKILLED, CONFIDENT, AND FUTURE-READY PROFESSIONALS

Unity Veda Animation College (UVEDA) is the Lucknow extension of the prestigious Dr. P.A. Inamdar College of Visual Effects, Design & Arts, Pune. Established to bridge the gap between academic learning and industry demands in the fast-evolving AVGC (Animation, Visual Effects, Gaming, and Comics) sector, UVEDA has emerged as a leading center for creative and technical education in North India.

The academic year 2024–25 marked a period of steady growth and achievement for the institution.

With increasing enrollment in both degree and diploma programs, UVEDA continues to attract aspiring artists and designers who seek hands-on, employment-oriented training.

A total of 105 students pursued various programs this year, reflecting the rising recognition of UVEDA as a trusted pathway to professional success in the media and entertainment industry.

Beyond academics, UVEDA provides an enriching campus life

With workshops, photography sessions, and sports activities that promote teamwork and leadership.

The highlight of the year, Kalotsav 2025, celebrated creativity and skill through exhibitions, masterclasses, and networking events graced by industry leaders. Through such initiatives, UVEDA continues to uphold its mission of producing skilled, confident, and future-ready professionals for the creative industries.

The endeavor is supported by Mr Mustafa Kassam and M/s Sajjadiyya Trust, Canada

**105**

Students enrolled (87 in degree programs, 18 in diploma/certificate courses)

**60%**

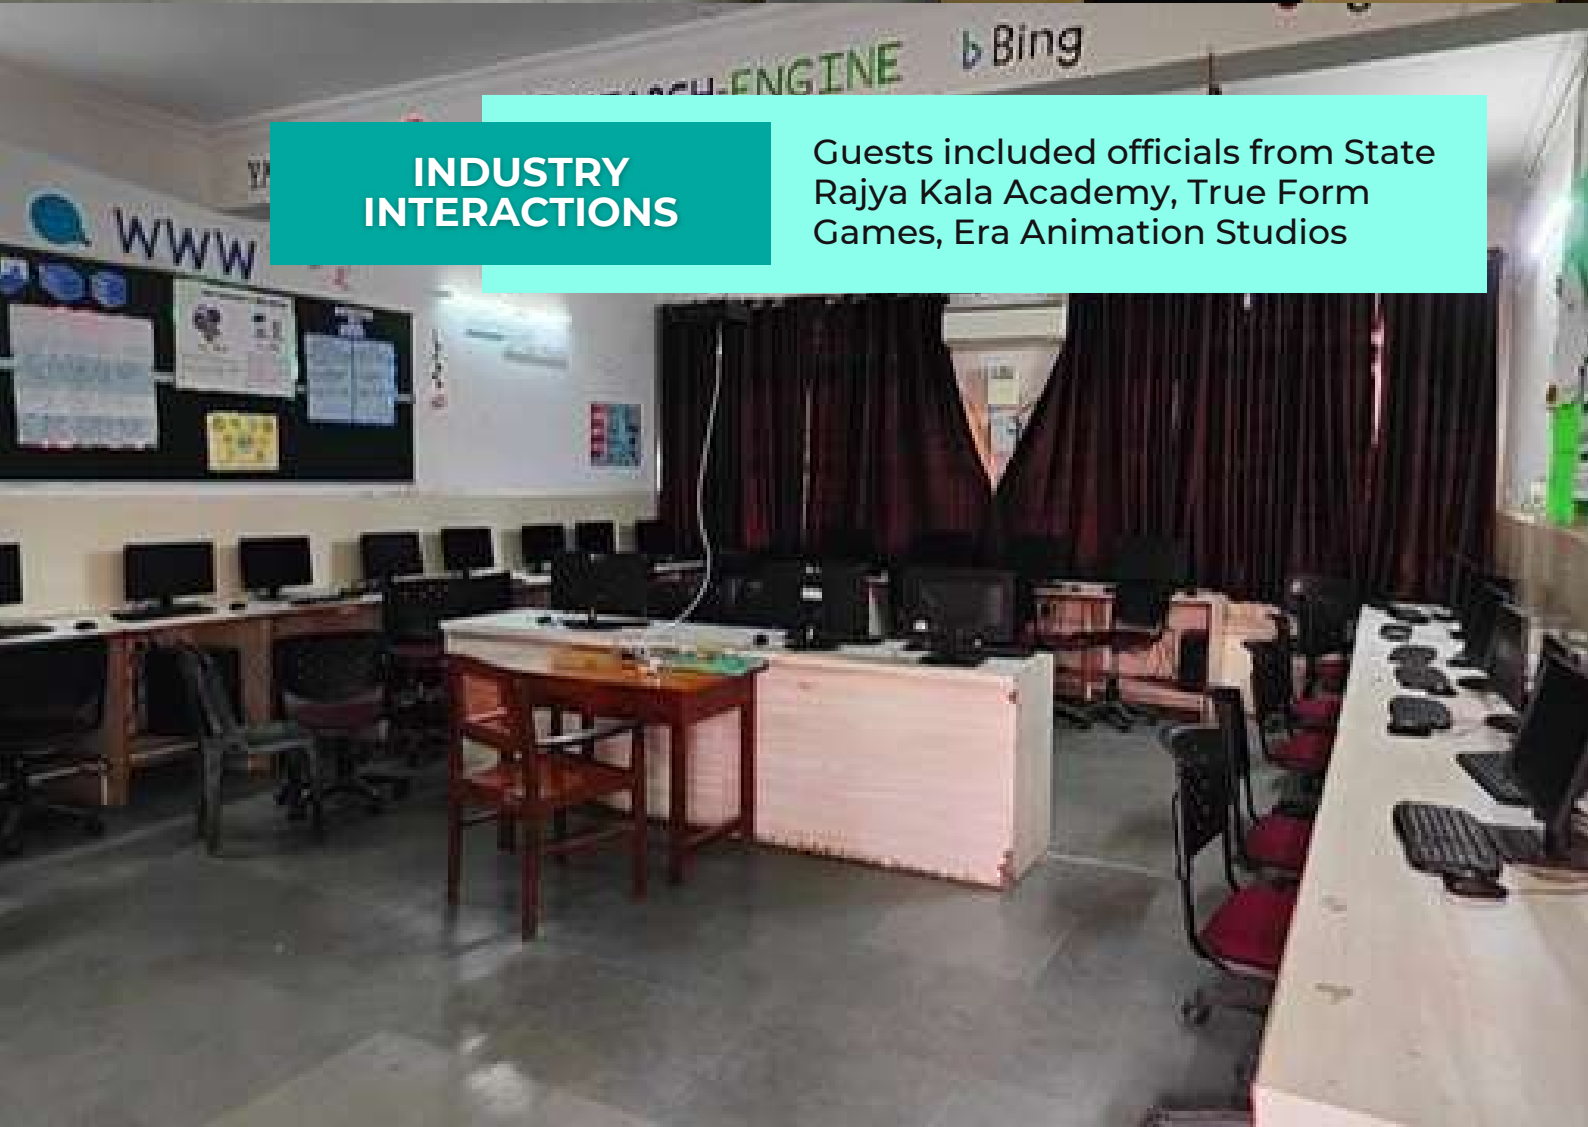

B.Sc. final-year students secured internships /part-time jobs before graduation

## WORKSHOPS & COLLABORATIONS

Photography workshop with Canon India and educational movie screening for VFX students

## INDUSTRY INTERACTIONS

Guests included officials from State Rajya Kala Academy, True Form Games, Era Animation Studios

# MU COLLEGE, ALIGARH

*ESTABLISHED 2016*

# ACADEMIC RIGOR, CHARACTER BUILDING, HOLISTIC DEVELOPMENT

MU College, Aligarh, is a distinguished institution committed to imparting modern education rooted in moral and ethical values. Affiliated with the Council for the Indian School Certificate Examinations (CISCE), the college offers classes from the primary to intermediate level, aiming to shape students into capable, responsible, and value-driven individuals.

Spread across 1,26,000 square feet, the campus is equipped with a well-stocked library of nearly 10,000 books, advanced laboratories for Physics, Chemistry, and Biology, and a computer lab with 24 systems, Wi-Fi, and multimedia facilities.

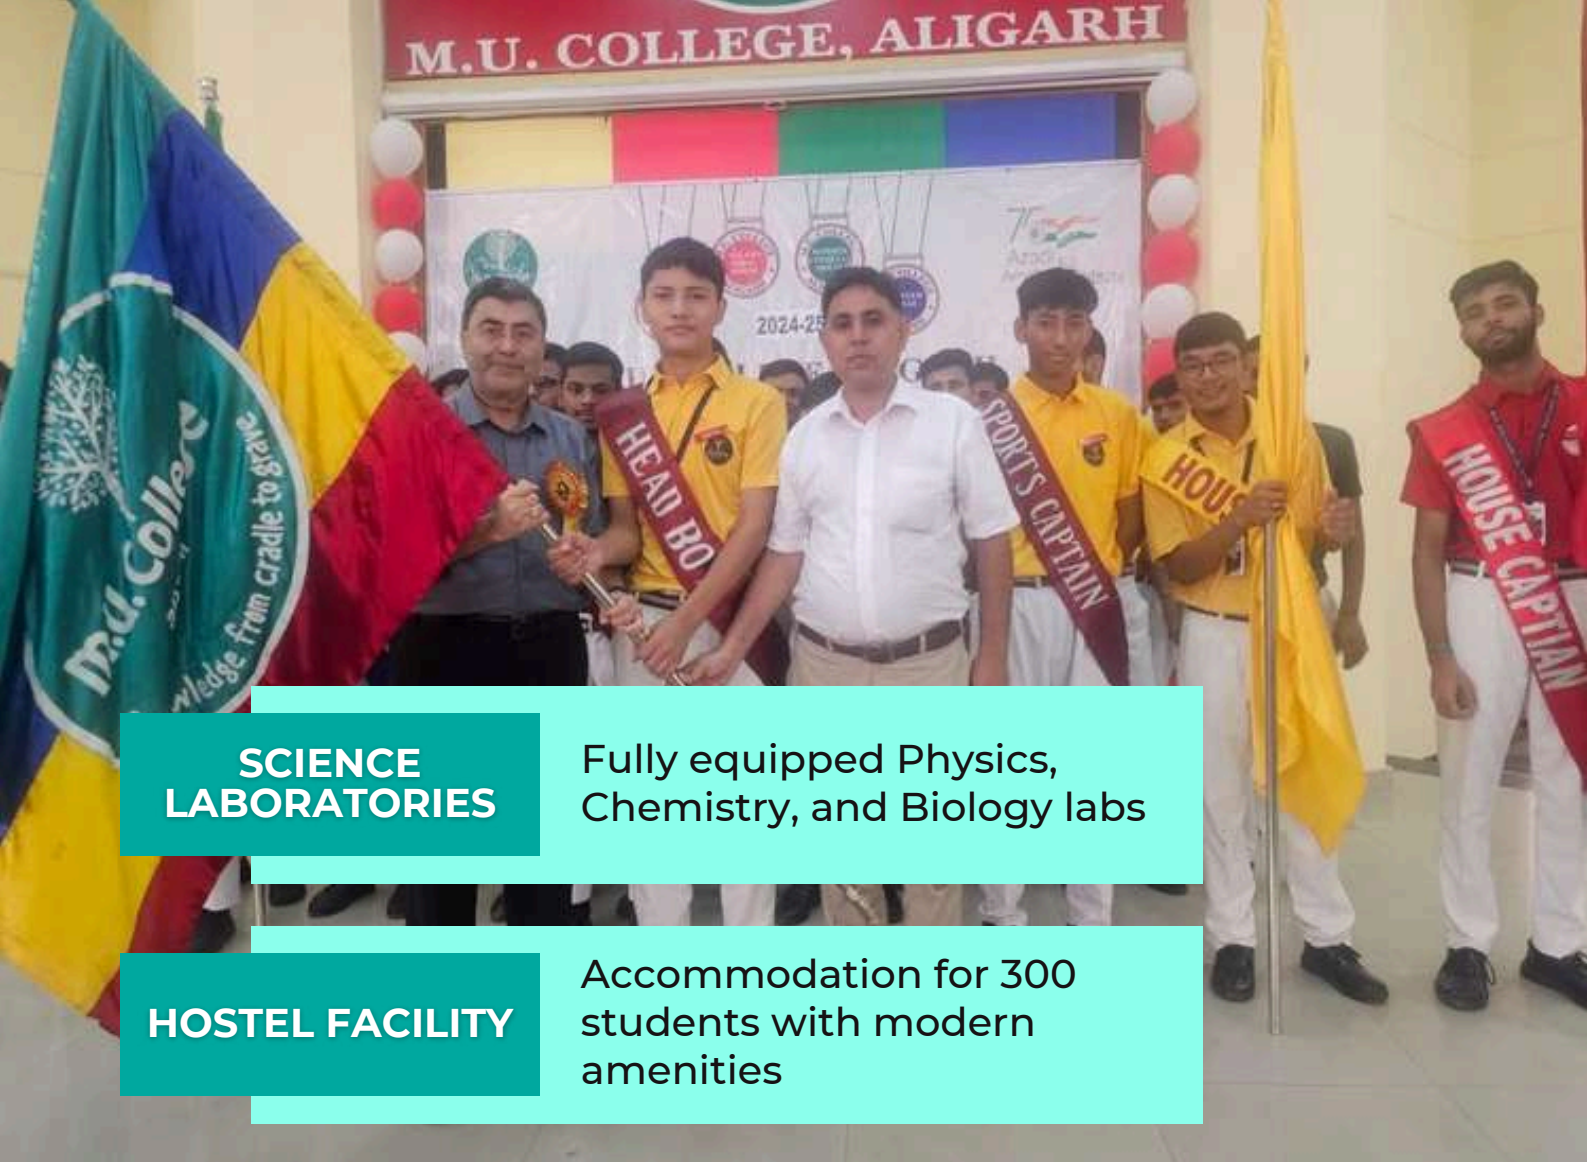

The college also features four smart classrooms, a playground for sports, an auditorium, and hostel accommodation for 300 students, ensuring a balanced environment for both academic and personal growth.

MU College follows the ICSE/ISC curriculum up to Class XII while also offering high-standard religious studies within an Islamic framework.

With a focus on academic rigor, character building, and holistic development, the institution continues to uphold its commitment to quality education. Tauheedul Muslimeen Trust expresses its sincere gratitude to its principal stakeholder, the Sajjadiyya Trust of Canada, and its trustees for their continued support and stewardship of this project.

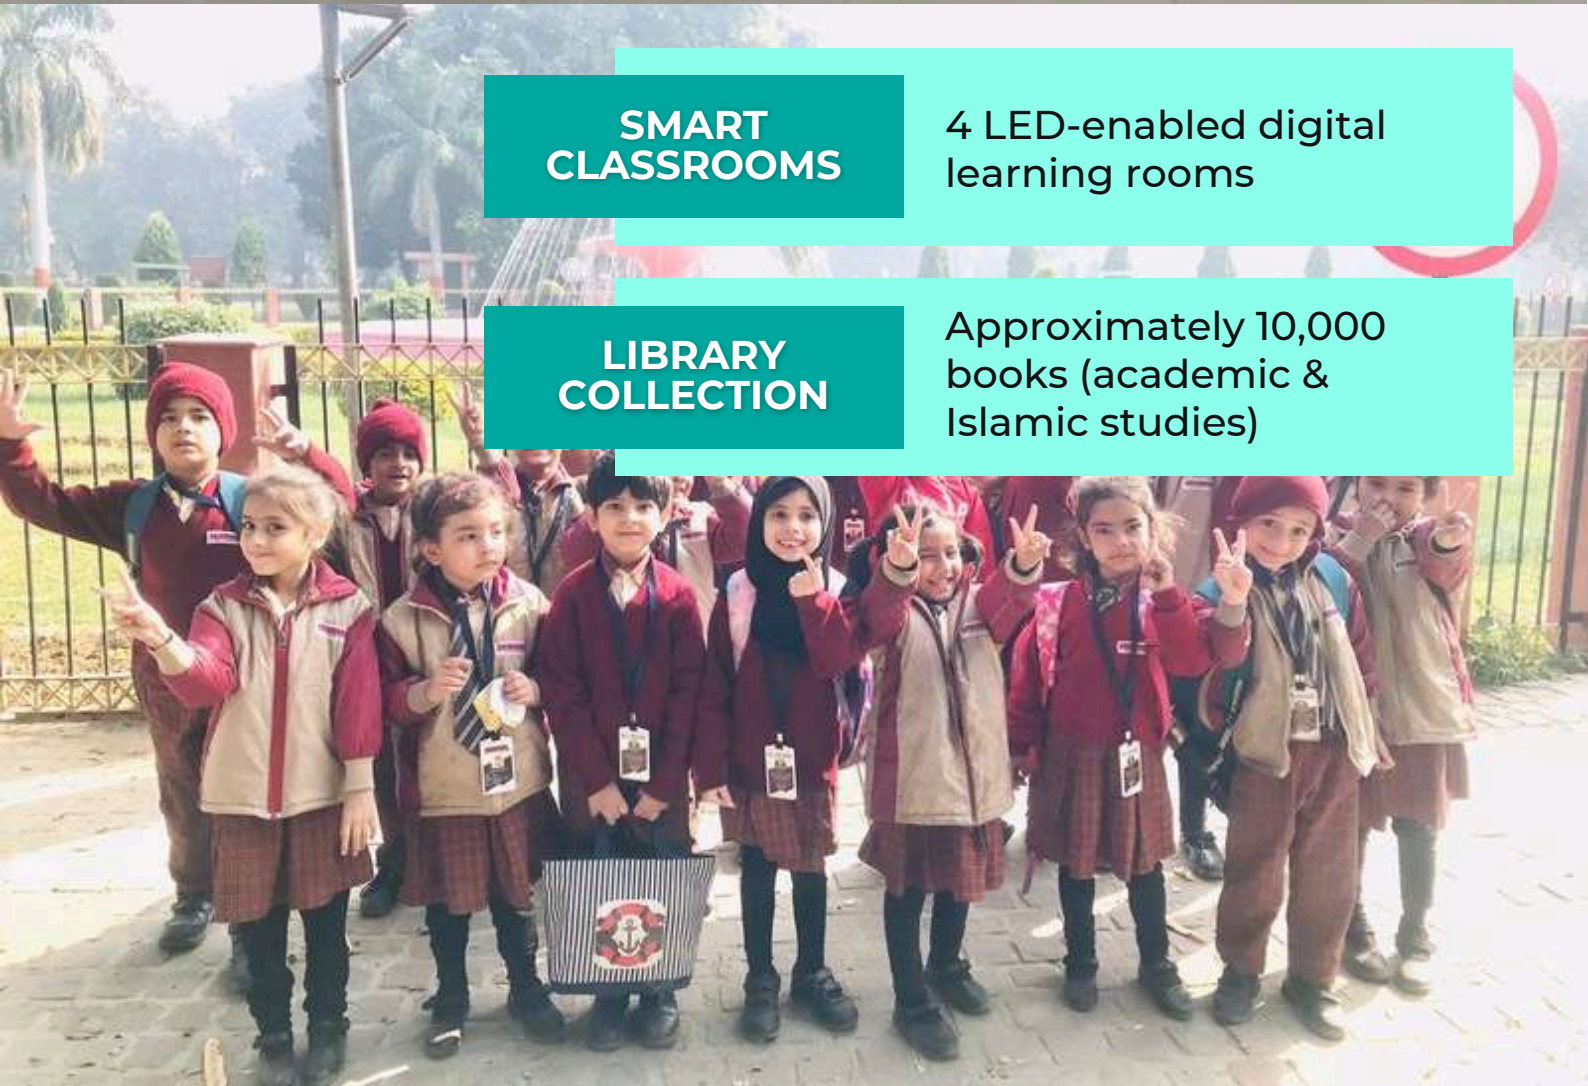

### SCIENCE LABORATORIES

Fully equipped Physics,  
Chemistry, and Biology labs

### HOSTEL FACILITY

Accommodation for 300  
students with modern  
amenities

### SMART CLASSROOMS

4 LED-enabled digital  
learning rooms

### LIBRARY COLLECTION

Approximately 10,000  
books (academic &  
Islamic studies)

# GREATER AWARENESS FOR ACCESSIBLE LEARNING

As the Unity Education Programme (UEP) completes two decades of meaningful service in 2025, we express our gratitude to the Almighty for His continued blessings and guidance. What began in 2004 with just 11 students at Radiant College, Jalalpur, has grown into a vibrant network of 23 schools and colleges across eight cities and towns of Uttar Pradesh. UEP remains steadfast in its mission to provide free, quality education to children from underprivileged families.

In the session 2024–25, a total of 2,448 children — including 1,052 under UEP and 1,396 from Unity Model Schools — received education through the Program.

Institutions affiliated with State, ICSE, and CBSE Boards continue to uphold academic excellence, while two new schools — Jafariya Little Flower (Ambedkar Nagar) and Mumtaz Modern School (Moradabad) — joined the UEP family this year, expanding its reach and impact.

Beyond academics, UEP focuses on the holistic development of every child through mentorship, counseling, regular health check-ups, and co-curricular engagement. The Programme also promotes vocational and digital literacy to prepare students for the modern workforce, while encouraging strong parental participation and community support.

The endeavor is supported by M/s The Mainstay Foundation, UK, M/s SEF Foundation, Canada and M/s Sajjadiyya Trust, Canada

## BOARD EXAM RESULTS

- **UP Board Class X Topper:**  
Khateeja Fatima – 80%
- **UP Board Class XII Topper:**  
Muskan Bano – 90%
- **ICSE Topper (X):**  
Syed Husain Abbas – 90%
- **ISC Topper (XII):**  
Waliya Fatima – 96%
- **CBSE Topper (XII):**  
Rayyan Asghar – 84%

## CAREER SUCCESS

- **MBBS Students:**  
4 (2 completing internship)
- **Polytechnic Placements:**  
5 students placed
- **Paramedical Placements:**  
9 students in Lucknow & Allahabad
- **Industrial Training (UITC):**  
5 students employed in organizations, including Samsung and SBI
- **Special Mention:**  
Sohrab Haider (Radiant College, Jalalpur) joined Indian Para Commandos (2022)

# EDUCATION AID PROGRAM

*BUILDING BRIGHTER TOMORROWS,  
ONE STUDENT AT A TIME*

# INVESTING IN EDUCATION TO BUILDING A BETTER TOMORROW

The Tauheedul Muslimeen Trust (TMT) is deeply committed to empowering youth through education by bridging the gap between compassionate donors and deserving students. The Education Aid Program supports learners from primary school to higher professional education on a merit-cum-means basis, ensuring that financial hardship never becomes a barrier to learning.

Each application undergoes a rigorous screening and verification process to confirm eligibility and maintain the integrity of the program.

Funds are disbursed directly to educational institutions, ensuring complete transparency and accountability. Beyond financial assistance, TMT provides continued guidance and mentorship, encouraging students to stay motivated, face challenges, and strive for excellence.

By investing in education, TMT helps break the cycle of poverty and creates pathways for self-reliance and community upliftment. Through this initiative, the Trust reaffirms its belief that education is the most powerful tool for lasting social change.

# HAZRAT IMAM ZAINUL ABIDEEN (A.S.) CHARITABLE HOSPITAL

*AFFORDABLE HEALTHCARE  
FOR ALL - ESTABLISHED 1991*

# ON A MISSION OF HEALING, HEALTH & HOPE WITH HEART

Hazrat Imam Zainul Abideen (A.S.) Charitable Hospital, located on Sultan Bahadur Road, Kazmain, Lucknow, is a community-based hospital working under the Tauheedul Muslimeen Trust, Lucknow, in partnership with Al-Imaan Charitable Trust, Mumbai. Since 1992, the hospital has been serving poor and underprivileged people by offering affordable and compassionate healthcare.

Over the years, HIZA Hospital has grown into a trusted medical centre with a team of experienced doctors, nurses, and support staff.

It provides services in general medicine, dental care, physiotherapy, gynecology, eye treatment, all at minimal cost. The hospital also runs a WHO-supported DOTS Centre for tuberculosis patients, offering free tests and medicines.

The hospital's main goal is to provide quality healthcare without discrimination of caste, creed, or religion.

From free medicines for widows and orphans to awareness drives on hygiene and health, HIZA Hospital continues to work for the well-being of the community with dedication and care.

**LOW-COST  
TREATMENT**

Affordable medical care for poor and needy patients.

**FREE AID FOR  
WIDOWS &  
ORPHANS**

Medicines and check-ups provided free of cost.

**TB CARE  
CENTRE**

Free tests and medicines for tuberculosis patients.

**PHYSIOTHERAPY  
& UNANI  
TREATMENT**

Special care for patients and low-cost Unani medicine.

**MOTHER &  
CHILD CARE**

Free tests and nutrition for pregnant women.

**HEALTH  
AWARENESS  
DRIVES**

Regular talks on hygiene and healthy living.

# MEDICAL AID PROGRAM

## EASILY ACCESSIBLE HEALTHCARE

# ENSURING ACCESS TO QUALITY HEALTHCARE FOR ALL

The Medical Aid Programme of the Tauheedul Muslimeen Trust (TMT) aims to bridge the gap between quality healthcare and financial hardship. In India, an estimated 63 million people are pushed back into poverty each year due to high medical expenses, eroding the gains of rising incomes and welfare initiatives.

To counter this challenge, TMT's Medical Aid Programme extends essential healthcare assistance to individuals and families living below the poverty line.

Through partnerships with hospitals, diagnostic centres, and pharmacies, the Programme ensures that patients receive treatment either free of cost or at significantly reduced rates.

With the generous support of TMT's donors, a portion of expenses for diagnostics, procedures, and medicines is subsidized—helping patients access timely care without financial distress.

The initiative continues to uphold TMT's mission of compassionate service and equitable access to healthcare for all.

We aim to continue with this mission.

# MEDICAL AID DATA (2024-25)

Head	Patients treated	Amount Spent (INR)	Cost per patient
Medical Aid Cases	1651	1,665,000.00	1008
Life Saver Cases	41	717,000.00	17488
Hiza Hospital Expenses	140635	5,750,000.00	41
Total :-	142327	8,132,000.00	57

# MOTHER & CHILD CARE PROJECT

*BRIDGING THE GAP IN MATERNAL  
AND CHILD HEALTHCARE*

# HEALTHIER FAMILIES AND STRONGER COMMUNITIES.

Despite steady progress, India continues to face serious maternal and infant health challenges, with a maternal mortality rate of 97 per 100,000 live births and an infant mortality rate of 28 per 1,000 live births. Limited access to healthcare and nutrition for mothers and children remains a major cause, revealing deep gaps in the healthcare system that require urgent attention.

Tauheedul Muslimeen Trust (TMT) envisions a world where every mother and child—regardless of background—receives quality care and compassion.

Through its Mother and Child Care Project, TMT provides comprehensive healthcare to underprivileged families, including prenatal check-ups, childbirth education, postnatal care, immunization, and nutrition counseling.

Qualified dietitians prescribe nutritional support to combat malnutrition, while awareness sessions guide families on hygiene, child development, and emotional well-being.

By combining healthcare, education, and community engagement, the programme works to prevent neglect and ensure that every mother and child it reaches can live a healthy and dignified life.

# GENERAL AID PROGRAM

## *BUILDING RESILIENT COMMUNITIES WITH ESSENTIAL AID*

# SUSTAINING LIVELIHOODS THROUGH COMPASSION

The Tauheedul Muslimeen Trust (TMT) runs the General Aid Programme to provide financial and social support to individuals and families in need. The programme focuses on empowering the underprivileged through targeted assistance and sustainable relief initiatives.

## MONTHLY MONETARY ASSISTANCE

Regular financial support is provided to underprivileged families to help meet essential living expenses and reduce financial hardship.

## HOUSE REPAIR ASSISTANCE

Financial aid is extended for home repairs to ensure safe, stable, and dignified living conditions for underprivileged households.

## FINANCING SMALL BUSINESSES

Support and guidance are offered to help individuals start or expand small-scale businesses, encouraging self-reliance and entrepreneurship.

## WIDOW AID PROGRAMME

Assistance to widows, orphans through monthly stipends, food aid, education, and skill training to promote financial independence and dignity.

# FOOD AID PROJECT

## SUPPORTING COMMUNITIES WITH FOOD SECURITY

# ENSURING FOOD SECURITY FOR THE UNDERPRIVILEGED

The Food Aid Project by Tauheedul Muslimeen Trust (TMT) aims to combat hunger and support underprivileged families by providing essential uncooked food supplies.

Every year during the holy month of Ramzan, TMT distributes food packets to over 3,000 families, with a total budget of INR 5 million, ensuring that no family goes hungry. The most deserving destitute, who lack any other form of support, continue to receive food assistance throughout the year.

The project extends across Lucknow and other cities in Uttar Pradesh, including families whose children are enrolled in TMT's Unity Education Programme (UEP).

In addition, food packets are regularly distributed to the caretakers of pediatric cancer patients at King George's Medical University (KGMU). All food supplies are prepared under strict hygiene standards by approved vendors to maintain quality for every recipient irrespective of religion or background.

# GKF DENTAL CLINIC CATERING TO UNITY COLLEGE STUDENTS

# RAMZAN FOOD AID 2025

PART 04

# **IMPACT & CONCLUSION**

# STORIES OF IMPACT

## **MASTER MOHD. ASAD HEALING A LITTLE FIGHTER**

At just five years old, Master Mohd. Asad suffered a serious head injury after a fall at home. The trauma led to recurrent seizures and partial paralysis, requiring long-term treatment at KGMU, Lucknow.

His father, a laborer, and mother, a homemaker, struggled to manage the expenses for his ongoing care. Recognizing the family's situation, TMT stepped in to cover medication and therapy costs. Despite his young age, Asad's resilience inspires everyone around him. Supported by his parents and sisters, he continues to show remarkable improvement.

## **ALEENA FATIMA A NEW VISION OF CONFIDENCE**

At just three years old, Aleena Fatima lost her left eye to retinoblastoma, a rare eye cancer. For the past 15 years, she had been using an artificial eye, but it no longer fit properly, causing discomfort and affecting her confidence. When her family couldn't afford the cost of a new customized prosthetic eye, Aleena approached the Tauheedul Muslimeen Trust (TMT) for help.

TMT connected her with Dr. Vasid Ali, an experienced ophthalmologist who designed a new customized prosthesis. The procedure, completed in March 2025, restored Aleena's comfort and confidence.

## FIROZ HAIDER HEALING THE MIND AND HOPE

Mr. Firoz Haider, a 54-year-old teacher, was diagnosed with central neurocytoma, a brain tumor requiring major surgery. The estimated cost of treatment at SGPGI, Lucknow, was ₹80,000, far beyond what his modest family could manage.

With TMT's assistance, the surgery was successfully completed, and Mr. Haider is now recovering steadily.

A dedicated teacher and father of four, Firoz has always valued education. His children—three pursuing degrees and one employed—were deeply affected by his illness. Thanks to timely intervention, he can now focus on regaining his health and supporting his family once more.

## NAUSHAD ALI GETTING BACK ON HIS FEET

While painting a house, Mr. Naushad Ali, 59, fell from a ladder and fractured his left femur. As a daily-wage painter, the injury left him unable to work and in urgent need of surgery.

With no savings and only his wife to care for him, Naushad turned to TMT for assistance. The Trust immediately arranged for the surgery at Balrampur Hospital, Lucknow, ensuring he received proper medical care.

Today, Mr. Naushad is walking again and regaining mobility through physiotherapy.

## **BAHADUR MIRZA**

### **STRENGTH BEYOND PAIN**

For months, Mr. Bahadur Mirza, a 53-year-old electrician from Lucknow, endured constant abdominal pain. Tests at KGMU revealed a renal mass in his left kidney, requiring immediate surgery.

With limited income and a family to support, Bahadur could not afford the operation. His wife and three sons—one blind, one in zari work, and one still learning a trade—depend entirely on him. TMT stepped in to cover the surgical expenses, ensuring Bahadur received timely treatment. After the successful surgery, Bahadur began his recovery with renewed hope. Today, he's gradually regaining strength and looking forward to returning to work.

## **SHANU**

### **A SECOND CHANCE AT LIFE**

Mr. Shanu, 43, a zari worker from Lucknow, was diagnosed with two heart blockages and required angioplasty. His first surgery in September 2024 was managed with family savings, but he struggled to afford the second one.

With TMT's help and government support, along with funds contributed by his family, he was able to raise funds for the surgery. Today, Shanu has successfully undergone surgery and is recovering well. He lives with his wife and two young sons, aged four and five.

**IN MEMORIAM**

# JUSTICE SYED HAIDER ABBAS RAZA (1939-2024)

The physical presence of towering figures may yield to the silent passage of time, yet their true legacy remains immortal, perpetually woven into the very fabric of society through the profound values they championed and the generations they influenced. Justice (Retd.) Syed Haider Abbas Raza was the embodiment of this truth—a distinguished jurist and leader whose steadfast commitment to the principles of justice, the power of education, and transparent governance leaves an indelible, luminous mark on the world he helped shape.

It is with profound sorrow that the Board of Trustees of Tauhedul Muslimeen Trust (TMT) honors the memory of Justice Raza, their esteemed and dedicated Vice President of TMT and a Vice President of Unity College, Lucknow. He departed on December 7, 2024, his life a testament to justice and public service.

A distinguished jurist and devoted public servant, Justice Raza dedicated his life to law, justice, and education. His judicial excellence and social activism enriched not only Tauheedul Muslimeen Trust and Unity College but also the broader community, inspiring generations.

Born on December 7, 1939, in Faizabad, he hailed from the revered family of Kichouchha Sharif, the dargah of Sufi Saint Makhdoom Syed Ashraf Jahangir Semnani. His father, Mehdi Hasan, a postmaster, ensured his children received the best education. After completing his early schooling in Faizabad, Justice Raza moved to Lucknow, where he studied at Government Jubilee Inter College and Lucknow University, actively engaging in student movements, debates, and public discourse.

Pursuing law, he joined the Bar in 1962, specialising in Service Labour, Civil, and Constitutional law. Actively involved in trade unions and politics, he held key roles, including General Secretary and President of the Lucknow Congress Committee, and defended Indira Gandhi before the Aligarh Enquiry Commission. However, he later withdrew from politics to focus on his legal career.

Elevated to the Lucknow Bench of the Allahabad High Court in 1988-89, he served 13 years, disposing tens of thousands of cases. His landmark rulings in Public Interest Litigation (PIL) transformed Lucknow—preserving Jhandewala Park in Aminabad, stopping political rallies at Begum Hazrat Mahal Park, relocating the old clothes market, and declaring Hazratganj a no-diesel-tempo zone, enhancing public life.

Following his retirement in 2001 as Senior Judge, he was appointed Uttarakhand's first Lokayukta, upholding transparency in governance. Honoured with the 'Pride of Uttarakhand Award' and 'Uttarakhand Ratna', he organised the All-India Lokpal, Lokayukta, and UP Lokayukta Conference in Dehradun, inaugurated by Dr APJ Abdul Kalam and Dr Manmohan Singh.

Even at 81, he remained active, mentoring young lawyers and engaging in political discourse. His presence exuded dignity, mirroring the principles he upheld.

Justice Raza is survived by his wife, Mrs Shahana Raza; his son, Syed Mahdi Abbas Raza, a telecom engineer; and his daughter, Prof Nishat Haider, Professor of English at Jamia Millia Islamia, married to Mr Kamran Rizvi, an IAS officer.

The Tauhedul Muslimeen Trust (TMT) and its allied institutions pay their highest tribute to Justice Syed Haider Abbas Raza, whose enduring legacy of unflinching commitment to justice, education, and governance continues to inspire.

# EXPRESSION OF GRATITUDE

# FROM OUR STUDENTS

A background image showing a group of children, mostly girls, wearing red shirts and making peace signs with their hands. They are smiling and appear to be at a school event or performance.

I express my heartfelt gratitude to Tauheedul Muslimeen Trust for supporting me during my B.Tech journey. The Trust's guidance and financial assistance played a crucial role in helping me pursue my education without hurdles.

Today, I am proud to be working as a CAB and CRM Manager at Tata Consultancy Services (TCS). Whatever I have achieved in my professional life is deeply rooted in the support and encouragement I received from TMT.

I remain sincerely thankful to the trustees for their continuous efforts in uplifting students like me.

***Altamash Haider Khan***

Losing both parents at a young age left me and my three brothers with many uncertainties. Education seemed like a distant dream, but Tauheedul Muslimeen Trust stood by us from our school years and ensured that we never felt alone in our journey.

With their continuous support, I was able to pursue B. Tech, which laid the foundation for my career. Today, I am working as a Technology Analyst at Infosys Pvt. Ltd., while my brothers are also striving and earning their livelihoods with dignity.

I extend my heartfelt gratitude to TMT for believing in me and helping transform my aspirations into reality. Their support has shaped not only my future but that of my entire family.

***Khizra Zaidi***

I humbly extend my heartfelt thanks to Tauheedul Muslimeen Trust for supporting me during my MBA program. The Trust's assistance played a crucial role in helping me complete my studies with confidence and commitment.

Today, I am privileged to serve as an Operations Manager at Evolko System Pvt. Ltd., and I attribute a part of this success to the encouragement and financial support provided by TMT.

I remain sincerely grateful to the Trust for uplifting students like me and helping us build a better future.

***Askari Abbas***

# FROM OUR STUDENTS

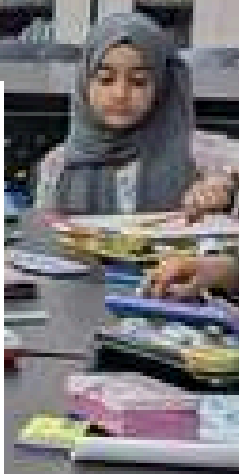

I am a proud beneficiary of Tauheedul Muslimeen Trust, which supported me during my B. Tech in Electrical Engineering. The Trust's timely assistance eased my academic journey and motivated me to pursue excellence.

With their support as my foundation, I am now working as a Technical Analyst at HCL Technology. This opportunity has allowed me to grow professionally and contribute meaningfully in my field.

I extend my sincere appreciation to TMT for empowering students and shaping futures with compassion and commitment

***Mohd Eesa Iqbal***

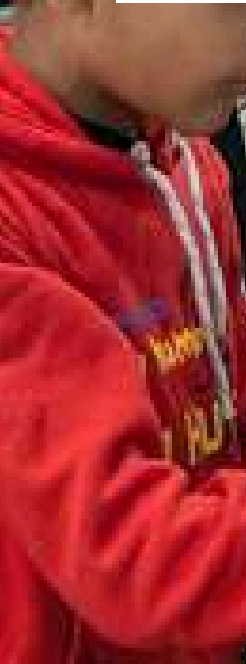

Coming from a very humble background, I grew up with dreams that often felt bigger than my circumstances. As the first generation in my family to pursue higher education, the path was challenging, but Tauheedul Muslimeen Trust turned those challenges into possibilities.

With TMT's generous support, I completed my B. Tech, a milestone that transformed not just my life, but the hope of my entire family. Today, I am proud to be working as a Technical Analyst at HCL Technology—a position I could reach only because someone believed in my potential.

My heartfelt thanks to TMT for uplifting students like me and lighting the way toward a brighter future.

***Mohd Hasnain***

My journey began in a home where resources were limited, but dreams were abundant. Being one of four sisters, each striving to build a better future, the path ahead often felt uncertain. Yet, with the unwavering support of Tauheedul Muslimeen Trust, all of us found the strength and opportunity to rise.

With TMT's guidance, I successfully completed my B. Tech and today I am privileged to work as an Analyst at Deloitte India. This milestone is not mine alone—it reflects the hope, sacrifice, and support that carried our entire family forward.

To TMT, I extend my deepest gratitude for believing in us, for standing beside families like ours, and for turning aspirations into accomplishments.

***Bushra Zehra***

## TO OUR DONORS AND SUPPORTERS

As we look back on another year of service and compassion, the Tauheedul Muslimeen Trust (TMT) extends its heartfelt gratitude to all our donors, partners, and well-wishers whose unwavering generosity continues to make our mission possible.

Every life touched, every child educated, every patient healed, and every family uplifted is a reflection of your kindness and faith in our work. Your contributions—big and small—have brought hope where there was despair and light where there was struggle.

We deeply value the trust you place in TMT to be the bridge between your goodwill and the people who need it most. Together, we have transformed compassion into action—whether through education, healthcare, food security, or social welfare.

As we move forward, we remain committed to transparency, accountability, and the values that guide our service to humanity. With your continued support and the grace of the Almighty, we look forward to touching even more lives in the coming year.

Thank you for believing in our mission and being a part of the TMT family.
